This form should be filled by all researchers wishing to access BCFS long term data

Particulars of applicant

Name of applicant:

Institution:

Position:

Date(s) at BCFS:

Briefly describe the research you conducted at BCFS:

Data requested

Please describe the data you would like to access indicating the time period:

Give reasons why you need this data

Conditions

1. The data you obtain shall only be used for the reason(s) indicated
2. The data shall not be used by a third party
3. If the applicant intends to publish the data, they must seek permission from the Director, BCFS

4. Field assistants, BCFS and its core donors (Royal Zoological Society of Scotland) shall be acknowledged in any theses, reports and publications arising from the use of this data
5. The applicant shall provide a feed back on how useful the data was and any suggestions to improve the quality of the long-term data collected by BCFS
6. The applicant undertakes to return un-altered copies of 'written data' if they have been borrowed
7. By signing this document, the applicant agrees to adhere to conditions 1 to 6 above
